In today's Gospel reading, Our Lord went to Simon and Andrew's house, where He spent the evening healing the sick and casting out demons. But early the next morning before the sun came up He went away into the wilderness to pray.

At first we wonder why Jesus would have to pray- He is God, after all! But He was also human so He needed to take some time to be with His Heavenly Father. And that is what real praying is- it's being with God and talking to Him and listening to Him.

Like Jesus, we also need to spend time with God. Even if we are always doing His work, like helping people or studying His truths, we still need to take some time to talk with Our Father in Heaven. Starting today, take a few minutes every day to go to a quiet place and talk with God.
