

5TH SUNDAY OF EASTER, YEAR B

Jesus is the True Vine

Jesus says that He is the vine and we are the branches. Branches grow out from a vine and receive their food from the main stem. They grow leaves and bear fruit.

Our souls get their life from Jesus. When we stay united with Him then our souls are healthy and able to do good works, like the grapes that grow on a healthy vine.

Doing a serious sin is like cutting oneself off of the main vine. The nutrition can't flow into the branch because it's cut off! The branch can't grow leaves or fruit and it withers and dries up. Even though you can't see it, that is what happens to a soul that doesn't have God's life coming into it.

Sometimes a branch of a vine needs to be pruned. A bit gets cut off, but then it grows even better where it was cut. In the same way, sometimes God lets us suffer, but then our souls can grow even stronger and bear more good fruit.

Next time you are suffering, remember that God might be using this time to make your soul stronger!
