The people in today's Gospel reading followed Jesus because He had given them bread. He told them that what they really needed was not just ordinary food, but the food that God would give them. And that was Jesus Himself, the Bread of Life!

Have you ever been hungry? You know you need food and you want to eat. But did you know that your soul can be hungry too? The food for our souls is Jesus. We receive Him in Holy Communion. Just like our bodies need food to stay alive, our souls need God.

All your life there are things you want that you think will make you happy.

Have you ever gotten something that you really wanted? It probably made you really happy for a while. But we can only be really satisfied if we have God living in us.
